Dear Ma,

**FORMAL ACCEPTANCE AND COMMENCEMENT OF FREE CAC BUSINESS NAME REGISTRATION FOR PARTICIPANTS OF THE SHE LEADS SURVIVOR EMPOWERMENT TRAINING PROJECT.**

We hereby confirm our acceptance and commitment to proceed with implementing the proposed free Corporate Affairs Commission (CAC) Business Name Registration for participants in the She Leads Survivor Empowerment Training Project.

We are pleased to partner with your organisation to advance this initiative, which aims to empower participants with the tools they need for sustainable economic independence. We remain committed to supporting the participants by facilitating the registration of their business names at no cost.

As noted earlier, we will begin the registration process once we have received the required details and documentation for each participant. Once we receive the complete information, we will proceed diligently to ensure timely processing with the Corporate Affairs Commission.

We also reiterate our commitment to maintaining the highest standards of professionalism, confidentiality, and compliance with the Nigerian Data Protection Act in handling all personal data provided for this purpose.

Thank you once again for the opportunity to contribute to this laudable programme.

**Yours faithfully,**
